PIONEERING SERVICES

FOR FUTURE-ORIENTED CONNECTIONS

WE CAN TELL YOU ALREADY TODAY
**WHICH IT AND OT INFRASTRUCTURE
YOU WILL NEED IN 10 OR 20 YEARS**
TO MAINTAIN YOUR HIGH STANDARDS.

We know exactly what infrastructure you need. Though we think it is more important to advise you here and now about the standards which will be required in future: Which devices at what speeds require which IT and OT infrastructure solution? In the international arena we are on point whenever it comes to the introduction of new technologies. So we always have our fingers on the pulse. To give you the right answers. For it's not cables that you buy from us. We sell pioneering communications infrastructures.

Services

- . Bespoke solutions

- . Certificates

- . International approvals

- . Test reports

- . No additional costs

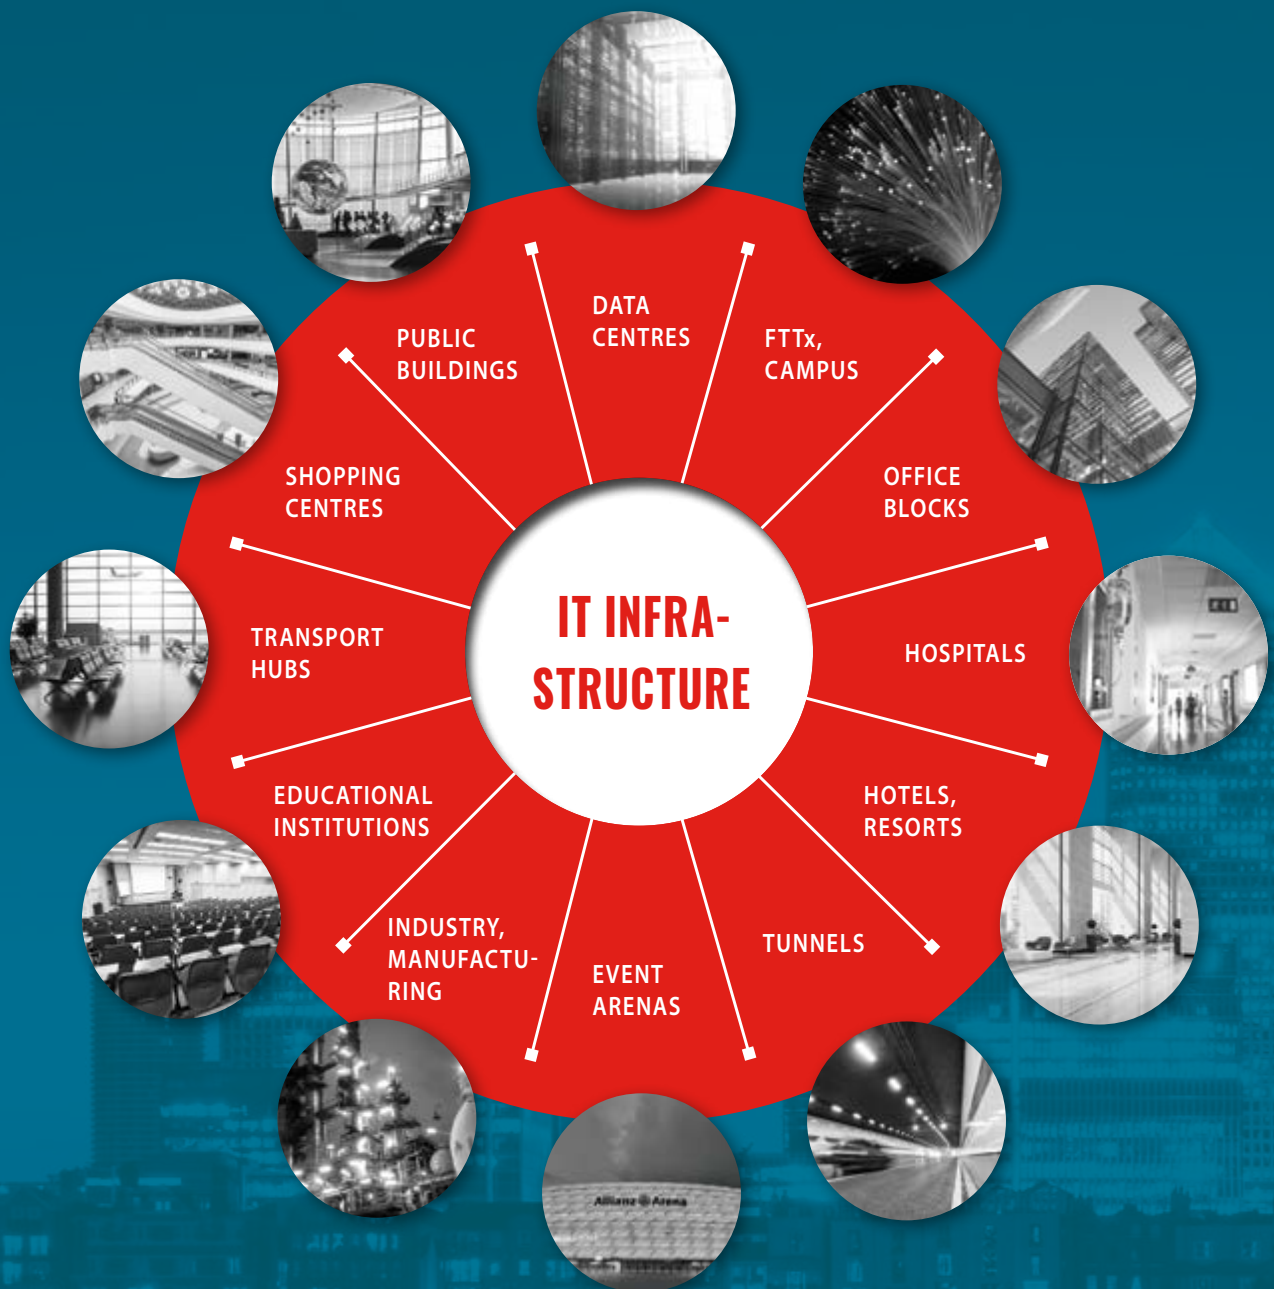

WHO INVENTED THIS? THAT'S TRUE:

WE INVENTED THIS!

TODAY, OUR APPLICATION-ORIENTED
INNOVATIONS ARE OFTEN
INTERNATIONAL STANDARDS.

The "life blood" of a modern purpose-built building is the functionality and reliability of the system solutions for communications, fire safety and elevators. This is true of any such construction, irrespective of whether it is a data centre, an office block, hotel, hospital, sports stadium, factory, television studio or tunnel.

In all these application areas DATWYLER stands for constant innovation and the stringent implementation of cutting-edge technologies – for reliable, economical and forward-looking data communication and for our customers' security.

ANYWHERE IN THE WORLD:

WE REALIZE YOUR PROJECT!

WE SPEAK
YOUR LANGUAGE
– ALSO FROM A
CULTURAL POINT OF VIEW.

You will find us wherever IT and OT infrastructures are involved.

Not only are we fluent speakers of all the major languages, but we're also well versed in the special cultural and application-specific features of each particular country. We are familiar with the rules and requirements and know what is important. This saves our international customers time and money. For they know that DATWYLER'S development, production and quality control, geared to the specific criteria of the domestic market, give them significant competitive advantages.

And they are sure to feel "at home" if they are then given advice and support in their native language into the bargain.

- . Native speaker as contact person
- . Representatives in 70 countries
- . Excellent market knowledge and understanding of market conditions
- . Familiar with the local peculiarities

” **Our global expertise**
ensures your competitive
advantages.

High Standards

REPLACE THE GOOD WITH WHAT IS BETTER.

DATWYLER: **BENEFITS** THAT YOU DO NOT WANT TO MISS

Not only have our customers grown with the tailor-made, forward-looking solutions supplied by us, but we have grown too – through our customers and with them.

Here is how you can benefit from working with DATWYLER:

From the individual component
to the turnkey solution.

We know exactly what is needed to implement a sustainable IT and OT infrastructure solution. And that's on a turnkey basis and in any country in the world.

A “healthy nervous system”
for all your applications.

End devices and technologies are constantly evolving and developing at ever shorter intervals. So our solutions are designed for future applications. This ensures the future viability of your investment.

Bespoke solutions for competitive advantages.

From the word go. The efficient advice we provide in the run-up to your project guarantees a punctual start-up and offers enormous potential for savings.

Safety due to innovations and own production.

Our innovations not only conform to international standards, they frequently set new benchmarks. We know exactly what we're doing when working on behalf of our customers – and what is expected of us: maximum security and the best connections for the best business deals.

Worldwide presence.

We talk your language, in cultural terms as well. We are familiar with the rules and requirements and know what is important. This saves you time and money.

25 Years System Warranty.

We provide a system warranty. 25 years. Our solutions provide you with one thing above all else: security. They free you from a multitude of additional tasks and yield substantial cost savings.
